EDITOR'S LETTER

Hmm, March 2019. I'm sure something significant was supposed to be happening this month, but I can't for the life of me remember what it is. You'd think they'd mention it on the news now and then, wouldn't you, but not a dicky bird as far as I can recall. Still, March 2019 certainly does mean something important's on the cards – the release of *Mayfair* 54.03! With newbie Samantha Alexandra joining favourite like Cara Brett, Linsey Dawn McKenzie and Cassie Clarke, surely that's enough to be going on with!

PENTHOUSE SWEET!

Dear *Mayfair*,
I've been an estate agent for the last 10 years, and with Brexit looming nobody knows what the future holds – much like everyone else around me. It is a big worry, but all that I can do is ride it out and save money, spend nights in wanking over my porn stash and think of better times – like the encounter I had just over a year ago. It's the only experience I've had like it and I'll never forget it. Just remembering it gets me hard and it's inspired countless one-handed sessions!

I was showing two young women of about 19 or 20 years old around a flat – trust-fund students from London starting at university after their gap years. They were loaded – obviously family money – and I had just the place for them, a classic old sandstone townhouse divided into incredible apartments.

> I FINGERED HER FOR A BIT BEFORE SLIDING MY WICK INTO HER MOIST PUSSY SLOWLY…

They both loved the property I took them to, so I talked the talk, telling them they needed to move fast if they were serious about it. They didn't want to get gazumped, so they told me they'd make it worth my while if I took care of them and made sure it was theirs.

The next thing I know – and I swear this is the honest truth, despite it sounding absolutely unbelievable – they started to kiss passionately, undressing themselves and each other, while I stood there literally open-mouthed and speechless! I watched as they turned their attentions to me, now dressed only in skimpy undies, and began stripping me off. Apart from my pathetic half-arsed protest, not a word was said.

It was just fucking surreal. Little old me, stood half-naked in this luxury flat, with two posh birds all over me. Bethany, the blonde had fantastic tits but as soon as I started to feel them up, her friend Porsha grabbed my hand and put it on hers.

It seemed to me that there was some competition between them, so I told Bethany to get on her knees and suck my dick. She didn't bat an eyelid and dropped down, followed 10 seconds later by her mate, when she'd finished sucking my face.

There was definitely a bit of needle between them, Porsha going for the root of my dick and Bethany batting her hand away, wanting it all to herself, but happy for her pal to lick my balls instead. Porsha started mouthing her way upward, though, and, after sharing a kiss with her around my bell-end, Bethany walked over to the couch and slipped her knickers down around her knees, bent over and wriggled her peachy arse at me, knowing it wouldn't take too long for temptation to get the better of me.

I wasted no

A LORRA LORRA LAUREN!

Dear *Mayfair*,
I've been buying your magazine or years, and have written you a few times in the past, but I thought I'd email again to give my appreciation for the photospread of Lauren Louise which appeared in your latest issue. She's a gorgeous girl anyway, but I was delighted to see that she was opening her legs that little bit more for the delectation of her fans, showing just the right amount to titillate even the most jaded reader!
Please let's see plenty more of Lauren in *Mayfair*, and pass on my appreciation to the lady herself, who's certainly put a smile on this reader's face!

HARWOOD IF I COULD!

Dear *Mayfair*,
What a treat to see the delicious Dannii Harwood back in your pages again this month. I've been a massive fan of her womanly charms since she appeared on your Christmas cover of 2017, although sadly we haven't seen too much more of her in your magazine since then. So naturally it was a red letter day when I clocked she was going to be in 54.02, and I wasn't disappointed! What a treat it would be to walk into my office and find Dannii in her stockings and suspenders, on all fours on my desk. Needless to say, I wouldn't be getting much work done that day!
Keep up the good work,
Martin, Taunton.

time in feeling her gorgeous buttocks up and, as she was bent over and I fingered her a for bit before sliding my wick into her moist pussy slowly – I wanted to feel every inch of it sucked in. Once the initial wave of pleasure as I squeezed my cock into her tight tunnel, I started to shag her senseless.

Porsha carried on trying to lick my balls for a few minutes before giving up and clambering on the couch, squatting down so her pussy was level with Bethany's face. She managed to angle it so Bethany could eat her slit, and I watched eagerly, easing off a notch, so Bethany could pay attention to Porsha's snatch for a moment.

There's something about posh girls that really does it for me; hearing them say, "eat my pussy" or "suck his dick" in a cut-glass voice is a huge turn-on. Porsha was grinding back, calling Bethany a dirty bitch, working herself up to an orgasm. She grabbed the back of Bethany's hair, humping her face as she got off; her face contorting as she reached the heights of pleasure, then flopped down into the seat. Even though she was obviously still a bit dizzy, she reached in between Bethany's legs, copping a feel of my wet cock and balls, and frigging Bethany's clit. And it only took a few more pushes before I was blowing my load in her shuddering hole.

Porsha looked like she was about to pounce on my dick, but instead she slid under Bethany and started to eat her snatch, sucking out the jizz. I told them like it or not, they were buying the couch now we'd fucked on it. They just ignored me however and sixty-nined.

I watched, getting hard again as they slurped and sucked each other's pussy, engrossed in the view in front of me and trying to save it to memory, knowing full well that this was likely to never happen to me again. After a few minutes they took control, laying me on the couch, Porsha taking her turn on my prick while Bethany sat on my face. I couldn't see what they were doing but I could hear enough, and tell when they were snogging or sucking each other's tits, just from the way their fannies were twitching and tightening.

Maybe it was from her climaxing already, but Porsha's twat felt even tighter than Bethany's, clinging around my shaft. And when Bethany's fingers found her pal's clit, Porsha started moaning, spreading wider to take me deeper until she came hard.

Bethany told me to let them know when I was about to come, speaking to me like I was a servant or something. But I managed to groan a warning and Porsha rose up off my length, allowing me to spunk on her slit before shooting the rest in Bethany's mouth, as she bent down, her gob open wide.

It was the most incredible experience I've ever had sexually. I am still a bit bemused, however. I'm not complaining about what happened – they paid full whack for the flat and I made a killing in commission. Good times! But I'm still not sure why they shagged me – they were absolutely minted so if there'd been a bidding war, they could just have thrown money and not their pussies at the problem. Hell, maybe I'm overthinking what went on. I'm just counting my blessings that it was me that took that flat-showing, not one of my colleagues!
Darryl, Manchester.

ANNA FROM HEAVEN!

Dear *Mayfair*,
I'd been seeing Sara for two years and was gutted when it ended, but my mates were determined not to let me hang around 'moping with a face like a slapped arse and wanking over my ex', as one of them eloquently put it. Even though I wasn't really up for it, they took me out on the town one Saturday night, telling me I wasn't going home until I pulled. I wasn't really up for it but arguing with them was pointless.

A couple of beers mellowed me out a bit, and I ended up talking to a girl called Anna, thanks to my mates pushing me towards her, obviously. She was blonde and cute – exactly my type – but I wasn't even in the mood for her at first. Good thing she didn't give up easily! Anna was OK to chat to, and now the rest of the lads saw I was with a girl they got off my back.

Even so, I didn't see anything coming of it but, as I'm an

Age: 30 **Vital Stats:** 34DD-24-32 5'9"

Well we're not quite sure how this happened, but Derbyshire beauty Samantha Alexandra's been modeling for 10 years or so, and yet somehow we've never managed to lure her into *Mayfair* before now. Still, all that's been sorted now, and… here she is!

"Yeah, I know – I'm not altogether sure how that happened either! I wish I'd got in touch sooner, but I was having so much fun that I never quite got round to it, and you know how time flies!"

Tell us about it! Still, we'll be doing our best to make up for lost time from now on, so we'll be hoping to see a lot more of you before long!

old-fashioned sort and she lived locally, I offered to see her home. We kissed goodnight on her doorstep, and when she asked me in for coffee, I thought to myself, 'Why the fuck not?'.

She'd just been sweet and flirty with me up until now, but it was like she turned into a completely different girl the second we walked into the flat. I didn't even have time to sit down before she grabbed me for another snog, her hands groping me everywhere this time.

She started stripping me off, ripping a couple of buttons off my shirt, and she was licking up and down my chest, nipping at me with her teeth. She wasn't vicious, but rough enough to make me gasp when she used them on my nipples.

Then she started nuzzling and kissing her way down over my belly. When she reached my waistband, it was like one second I was wearing jeans and pants, the next they were down around my ankles! Now she was on her knees – luckily I had a decent semi-on, so her first look at my cock didn't disappoint. Then she just opened her mouth wide and engulfed the entire length of it. I have to say I was particularly impressed with her technique!

She couldn't deep-throat it forever, but when my helmet got her full attention I could feel my balls immediately start to twitch. I thought I'd blow my load right then and there, but she suddenly stopped sucking, got up and shoved me back on the sofa. As I sat there, she stripped naked, straddled me with one leap and used her pussy muscles to suck my prick as deep inside of her as she could take it.

Before I could think, "Who's fucking who here?", my bollocks went into spasm, barrelling my jizz deep into Anna's hole. She hadn't yet climaxed herself, but she kept clamped on me like a vice, reaching down and rubbing the fuck out of her clitoris until she too was coming hard, moaning out loud as she did so.

I was sweating pints and Anna looked slightly flustered, but she was already up for more again. She hauled herself up off my crotch, long threads of spunk connecting between us as my cock slipped free. Then, to my amazement, she just slithered down me, nuzzling her face in my sodden pubes before lapping at my cock again.

> SHE SQUEALED IN DELIGHT AND IMMEDIATELY BEGAN TO ORGASM AROUND MY LENGTH.

"Hang on a sec..." I groaned, although it probably sounded a bit half-arsed. My knob-end still felt pretty raw and hot from coming – the slightest flick of her tongue against it was almost painful. But she kept going, gently at first before stepping things up slowly, until I was rock-hard and ready to shag her all over again.

I decided we were going to do it my way this time.

"Get on your hands and knees," I told her. She seemed to like me taking charge as much as she liked being in control herself, and obediently got on the couch, head down, her shapely arse wiggling in the air. I grabbed it in both hands and just lammed right in between her cheeks, thrusting my cock up to the hilt in her wet, warm pussy.

I'd been tempted to go for her arsehole, but I wasn't sure she could take it as hard up there as I intended to give it to her. Also, I didn't want to run the risk of her kicking me out! I screwed and slammed – because I'd come so soon before, I now didn't have any worries about shooting too soon. In fact, I had to slow down after a while, just to give myself a bit of a breather.

Anna was frigging away at her clit, and so I licked my thumb and slipped it into her arsehole. She squealed with delight and immediately started to orgasm around my length. That wasn't enough to bring me off yet, though, and now I'd got my second wind I started fucking her hard again. I pushed her face into the sofa cushion, muffling her moans and cries as I drove my cock as deep into her as it would go, my balls banging her clit with every thrust.

I think she managed to squeeze another orgasm out of her overworked clit, but the drums beating in my head meant I was lost to it. I let out this massive grunt, slammed deep, and blasted more spunk into her.

That wasn't the last fuck of the night, but I insisted on some shut-eye before we got at it again. Of course, when she woke me up, she did it by wanking my cock. Not that I'm complaining, you understand!

I don't know if I'd fuck Anna again – there is such a thing as a girl being too full-on, and this one could knacker an Olympic athlete! But it turned out to be just what I needed that night. Just goes to show, you can always count on your mates to know what's best for you!

Rob, Bristol.

HEART OF GLASS

Dear *Mayfair*,
I'm afraid I've fallen head over heels in lust with the incredible Blondie, who I stumbled across in your latest issue. What an absolutely amazing looking woman, with curves in all the right places, the sort of pussy I could spend all day worshipping and even a hint of the classic 'Farrah flick' I used to love so much when I was in my teens! I have to confess I'm not a regular buyer, so could you tell me if she's been in any other issues, so I can track them down and lust over any other sets of her you might have featured?
Pete, Worthing.
Yes Pete - she's not bad, is she?! Apart from last month, Blondie also appeared in 53.06 and 52.12 - Ed.

Ooh, here's a top notch slice of classic cheesecake glamour courtesy of top lady lenswoman Tammy Sands and leggy lovely Cody Love! You could just imagine a picture of her stencilled on the side of a WWII bomber or something, like Rita Haywort, say...

"Well that's the look we were going for!" Cody grins, "so I'm glad you reckon we've got somewhere close! It must have been amazing to be a pin-up in those days, knowing that millions of guys around the world were admiring you and, well, lusting after you like that!"

Yep, although we reckon there'll be plenty of guys out there feeling the same way about you right now!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiney new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

AMAZON **ECHO DOT 3**

OK, so we've all signed up to the idea of having a little spy or three in our homes now, haven't we? Previous incarnations of the Amazon Echo were known to burst into peals of maniacal laughter now and then, and it's not hard to see why, given the amount of info about us they're capable of hoovering up without us knowing it so that they can target ads back at us whenever we venture online. But on the other hand they're bloody useful things to have around, and this 3rd Generation of the smaller Dot model cranks up all the specs yet again – and (at the time of writing) can be had for a mere £29.99. First off the basics – it can do all the stuff all the previous incarnations could do, like play your favourite radio stations, or connect to your Amazon music library – or just play music connected by a specific theme ("Alexa, play songs from 1966, please!", just in case you're trying to imagine what it might have felt like being World Cup winners). Also, of course, all those fiddly internet queries you might want answered are just a voiced question away – so no need to get you phone out to work out what 5'7" is in centimetres, or how to make a mushroom risotto. But in what way does it score over the previous incarnation of the Dot? In essence, the speakers are better (the driver's a third bigger than the one in the 2nd Gen), giving a more room-filling sound with some discernible bass in the mix, although (of course) it's not going to be a patch on a proper stereo set up. That said, it's got a line out and Bluetooth connectivity, so if you wanted to there's no reason why you couldn't hook it up to some bigger stereo speakers. But if it's a bit of background music while you do the ironing you're after, this should pack enough of a punch. The new fabric design makes it easier on the eye than earlier versions, too, so you won't feel so inclined to squirrel it away out of sight. If you've got a few you can connect them up to give you something approaching house-filling music (all in mono, mind) – perfect if you're having a party and don't really want to disturb the neighbours. All in all, what's not to like at that price except, well, did we mention all that spying they're doing...?

PRICE: £29.99

NAD **C5380 CD PLAYER**

Hang on – have we plunged through some sort of wormhole back into 1987 or something? A CD player?! Does anyone actually play CDs any more? Then again, wanky metrosexual types have been getting back into vinyl in a big way over the last few years (some of them don't actually own record players, you know), so obviously there's a bit of a market for retro music tech out there, despite the sadly repeated demise of HMV suggesting that nobody really buys actual physical music much these days. NAD might be a funny name for a tech company (it made me laugh, anyway) but they've got a bit of form when it comes to turning out decent CD players – they've been doing it for decades – so perhaps they're to be commended for sticking to their guns. But what about the snappily-named C5380 itself? Well, the first thing to say is that it does exactly what you'd expect from a CD player – all those functions we came to know and love back in the day are there – from eject to play, pause and stop, with skip and fast forward/rewind all reassuringly present. And, er, that's it, really. Oh yes, it's got a remote control as well, so you won't need to get off your arse and walk over to it when one of the crappier tracks on that CD comes on. To be fair, the proof of the pudding is in the listening, and it's hard to fault the quality of the sound this'll put out, assuming you've hooked it up to an appropriate receiver. As well as the stereo analogue outputs it's got coaxial and optical digital ones for more modern connections... and that's it. Next week, something called a VHS video recorder.

Well it's taken a bit of effort, but we've finally managed to lure erstwhile *Mayfair* favourite Cara Brett back to the studio for another shoot, after she decided to scale back her modeling commitments a year or so back. But why, you might ask, would a girl so clearly on top of her game decide to wind things down?!

"Oh, I don't know - I guess I thought that perhaps you guys would get tired of me or something, and I wanted to be the one who made that decision for myself!"

Well what an utter load of rot! We're a very loyal bunch here at *Mayfair* – especially to gorgeous babes who look anything like you!

We're delighted to be able to report that, even though she bagged our coveted 'Lifetime Achievement' Award a couple of years ago *(When's it my turn? – Ed)*, Linsey Dawn McKenzie hasn't taken that as a cue to hang up her boobs and step away from a life of tenting the nation's trousers whenever the fancy takes her!

"Not likely – I'm still feeling far too horny to give it up yet!" she insists, giving her famous boobs a little jiggle in our direction just to prove the point. "I mean you're not ready to say goodbye to these babies, are you?"

No, we're certainly not!

A truck driver was driving along the road. A sign comes up that reads 'low bridge ahead.' Before he knows it the bridge is right ahead of him and he gets stuck under the bridge and cars start backing up behind him for miles.

Finally, a police car comes along. The policeman gets out of his car and walks around to the truck driver, puts his hands on his hips and says, "Got stuck?"

"I accept Eric goes with prostitutes - I just wish he wasn't so blatant about it!"

The truck driver says, "No mate, I was just delivering this bridge and ran out of petrol."

Three men who were lost in the forest were captured by cannibals. The cannibal king told the prisoners that they could live if they pass a simple trial. The first step of the trial was to go to the forest and get ten pieces of the same kind of fruit. So all three men went separate ways to gather fruits.

The first one came back and said to the king, "I brought ten apples."

The king then explained the next part of the trial to him. "You have to shove the fruits up your bum without any expression on your face or you'll be eaten." The first apple went in... but on the second one he winced out in pain, so he was killed.

Then the second man arrived and showed the king ten berries. When the king explained the trial to him he thought to himself that this should be easy so he had a go... 1.. 2... 3... 4... 5... 6... 7... 8..., it was going well but on the ninth berry he suddenly burst out with laughter and was killed.

The first guy and the second guy met in heaven. The first one asked, "Why did you laugh, you almost got away with it?" The second one replied, "I couldn't help it, I saw the third guy coming with pineapples!"

A surgeon was retiring from his long and rewarding career as a world renowned specialist in the field of circumcision.

Throughout his lengthy career, he had saved the foreskins of all of his patients in specimen jars as momentos, and now wished to fashion them into a suitable souvenir.

So after giving it some thought he took hundreds of specimens to a leathersmith, and asked him to craft an article of fine artistic quality. "I'll see what I can do," said the artisan. "Check back with me in one week."

As instructed, the surgeon returned one week later, eager to see what magnificent article the leathersmith had fashioned for him. The leathersmith presented him with a wallet.

"All those foreskins and you only make me a wallet?" Exclaimed the surgeon.

The leathersmith calmly replied, "Yes, but if you stroke it several times, it becomes a briefcase."

An Englishman, an Aussie and a South African are in a bar one night, having a beer together.

All of a sudden the South African downs his beer, throws his glass in the air, pulls out a gun and shoots the glass to pieces and says: "In Sath Efrika our glasses are so cheap that we don't need to drink from them twice."

The Aussie impressed by this, drinks his beer, throws his glass in the air, pulls out his gun and shoots the glass to pieces and says: "Well mate, in Oz we have so much sand to make the glasses that we don't need to drink from the same glass twice either."

The Englishman, cool as a cucumber, picks up his beer and drinks it, throws his glass into the air, pulls out his gun, shoots the South African and the Australian and then says: "In London we have so many South Africans and Australians that we don't need to drink with the same ones twice."

Looking for a clever new marketing opportunity for Kentucky Fried Chicken, Colonel Sanders calls the Pope and says: "I want you to change the Lord's Prayer from 'Give us this day our daily bread' to 'Give us this day our daily chicken'. If you do it, I'll donate £10m to the Vatican."

"I'm sorry," the Pope replies, "it's the Lord's Prayer so I really can't change it."

After another month of poor sales, the Colonel calls the Pope again. "Your Holiness, I really need your help. I'll donate £50m to the Vatican if you change the words of the Lord's Prayer to 'Give us this day our daily chicken.'"

"Colonel, your offer is very tempting," the Pope says. "The church could do a lot of good with that much money. But again, I am sorry but I must decline. It is the Lord's Prayer and I just can't change the words."

With that, the Colonel hangs up again.

After two months of woeful sales, the Colonel is increasingly desperate. "Your Holiness, here is my final offer. If you change the Lord's prayer for me I will give £100m to the Vatican."

"Let me get back to you," the Pope replies.

He calls together all his bishops and says, "I have some good news and some bad news. The good news is that KFC is going to donate £100m to the Vatican. The bad news is that it looks like we've lost the Hovis account."

A NICE BIT OF PORSCHE!

Feeling the need to get hold of a new 911 (992 generation)? In that case, you'd better read on...

Porsche has unveiled the eighth-generation 911, revealing a familiar shape and some evolutionary styling – but with a heavily revised range of six-cylinder turbo petrol engines that are more powerful than before.

According to the manufacturers, it's; 'A timeless idea only holds on to its youthful vigour if it is constantly upgraded. So, every new generation of the 911 represents a new start for an even better 911.' Well, they would say that, wouldn't they, but let's have a look and see exactly how it's a better car....

Viewed from the front, the new 911 is still obviously a 911, which is a good thing. The wings are clearly shaped and highlight the powerful geometry and design DNA. The newly designed bonnet with its characteristic dynamic, recess profiles and straight slope to the front apron, is a nod to the 911 models of the first generation.

Modern LED technology is used in the main headlights with four-point daytime running lights and dipped beam. The camera and sensors in the comfort and assistance systems are integrated under the front apron.

The newly designed exterior mirrors are clear cut, while the lowering door handles are discreetly integrated into the car's image. Thanks to these details, the overall profile of the new 911 appears more compact, more polished and more technical.

Meanwhile, all new 911 Carrera S models have the new taillight strip and the three-dimensional taillights. LED technology is used for all functions here too. With an all-new redesigned shape and position of the third brake light, it has a pretty sexy ass!

But of course it's not all just about looks – lovely as they might be. The real improvements have come with the tech and the muscle. First off, the new generation of engine is more powerful and even more efficient than ever before. The 3.0 litre six-cylinder twin-turbo engine of the 911 Carrera S models produces a full 331kW (450 PS).

The acceleration is enormous with the Sport Chrono Package and Launch Control. The 911 Carrera 4S, for example, sprints from 0 to 100km/h (62 mph) in just 3.4 seconds.

With a top speed of 190mph, the new 8-speed Porsche Doppelkupplung (PDK) ensures that all that power is transferred even more efficiently to the road and the driving pleasure enhanced. Moreover, PDK allows extremely fast gear changes without interrupting the flow of power, even for a millisecond.

The newly designed Porsche Active Suspension Management (PASM) increases sporty performance and comfort, while driver assistance systems, such as Lane Keeping Assist, including traffic sign recognition and Night Vision Assist, make driving even easier. Clever stuff.

We've heard over and over again how the potential of the horizontally opposed engine has been exhausted. Obviously, this is not true, because the power output and efficiency of the horizontally opposed engine have been once again increased, while the engine mounts have also been positioned closer to the centre of the vehicle. This reduces vibrations and increases driving stability. But you will still feel the power of the 3.0 litre six-cylinder twin-turbo engine with its 331 kW (450 PS), we promise, the maximum torque of 530 Nm alone will make sure of that.

Porsche Traction Management is an essential feature of the 911 Carrera 4S. Working in conjunction with Porsche Stability Management, the all-wheel drive therefore always ensures the appropriate distribution of force required for excellent driving performance and particularly well-balanced handling when driving at the limit.

Depending on the road conditions and the driving mode, the upgraded Porsche Active Suspension Management (PASM) actively and continuously controls the damping force for each individual wheel. The result: reduced body movement and thus more comfort with increased dynamism. The PASM sports suspension, lowered by 10mm, is available as an option, making the new 911 even more neutral and balanced when it's on the road.

Porsche Torque Vectoring Plus

> THE NEW 911 IS A SUPER-TECHY CAR WITH A VARIETY OF CANNY ASSISTANCE SYSTEMS.

provides exceptional traction and great agility at all speeds – with precise steering response and balanced load change behaviour, and tremendous fun on corners. Upon request, Porsche Dynamic Chassis Control (PDCC)

"ACCELERATION IS ENORMOUS WITH THE SPORT CHRONO PACKAGE AND LAUNCH CONTROL. THE CARRERA 4S SPRINTS FROM 0-100Km/h IN JUST 3.4 SECONDS."

minimises body roll in the new 911 during dynamic cornering manoeuvres and reduces lateral body movement in the vehicle on rough road surfaces.

Its ceramic brake discs are particularly light and have a diameter of 410mm at the front and 390mm at the rear, for considerable braking performance. Characteristic are the yellow painted fixed brake callipers on the front and rear axles, and just as characteristic is the extraordinary performance when you need to go slow, fast.

For the first time ever, the new 911 sticks to the road with differently sized wheels. 20-inch wheels are used at the front and 21-inch at the back in the 911 Carrera S models. While the broader contact surface optimises driving performance, the larger diameter of the rear wheels serves to increase stability and comfort.

The new 911 is a super techy car with a variety of canny assistance systems as well; for example, the collision and brake assist – a system for recognising obvious wet road surfaces, which aids drivers when driving in the wet. There's also adaptive cruise control and ParkAssist with Surround View for even greater safety when driving.

The main headlights of the new 911 Carrera S models are fitted with LED technology, for fast responsiveness and powerful illumination. Thanks to 84 individually controlled LEDs, the light cones are optimally configured for any driving situation. Vehicles in front of you or on the opposite side of the road are dimmed, while the areas in between and next to them are still fully illuminated.

With new services and the Porsche Connect app you can synchronise destinations and your calendar with your motor, plan trips with Real-time Traffic Information and use music services on your smartphone. The navigation and infotainment package helps you to reach your destination faster, thanks to route calculation with up-to-date maps. Using the voice recognition interface, you can easily search for information such as the weather at your destination and current news on the economy, politics and sports read aloud to you.

Although Porsche has confirmed just one engine for the new 911 – the 444bhp turbocharged 3.0-litre unit used by the initial Carrera S and Carrera 4S models, there are more coming, including a less powerful version of the flat six in price-leading Carrera and Carrera 4 models, as well as even more powerful variants in future GTS and Turbo models.

Porsche is also developing plug-in hybrid versions of the latest 911. However, they are unlikely to figure in the line-up until closer to a planned 2022 facelift, at which point the new model is due to receive a 48V electric system that supports not only part-time electric drive but also a new range of semi-autonomous driving functions.

The new 911 is available to order now in Carrera S and 4S forms equipped with a PDK gearbox, priced from £93,110 and £98,418 respectively. UK deliveries start March 2019.

All-in-all, the New 911 (992) is crammed full of dazzling tech stuff that will actually make your driving experience better and safer, while the new look really is stunning!

She made quite an impact in the Mayfair office when she debuted last year, but Cassie Clarke only seems to have grown on us since then, and we'll be buggered if she isn't looking even finer than ever this month!

"Well that's very nice of you! I don't know what I've done differently, but every woman likes to be told they're getting lovelier and lovelier!"

We're sure they do. Perhaps you were a wee bit nervous for your first shoot or two, and now you've relaxed into it a bit more, but either way, we're chuffed to have yuo back looking so fine!

"Keep up this sort of flattery and who knows where it might get you!" she laughs, and that's as good as a wink to a blind bat!

Oh, er, and did we tell you what big fans of butterfly tattoos we are...?

Scene from MAYFAIR

Time to cast our eyes over another trio of toppermost flicks, which range from one of last century's high points to the very lowest, via a prime slice of classic noir.

FIRST MAN

Not a biopic of Adam, but of Neil Armstrong, who wasn't the first man at all but who was the first man to step onto the moon, which is (I'll admit) something! Armstrong was pretty keen to stay out of the limelight in later life, perhaps having tired of being asked the same couple of questions a million times, but he was never a showy character in the first place, and this film does a good job of capturing his workaday attitude to his achievement. Ryan Gosling's perfectly cast in the main role – if anyone can do understated it's Gosling, after all. That said, Armstrong's journey to the moon was nothing if not an emotional one, his decision to apply for an astronaut berth being in part triggered by the tragic death of his young daughter. Of course the film really comes into its own when Apollo blasts off, and as Armstrong, Aldrin (Corey Stoll) and Collins (Lukas Haas) achieve greatness, it's impossible not to be carried along with them for the most thrilling ride ever.

SHOAH: THE FOUR SISTERS

The late Claude Lanzmann's masterful *Shoah* has to be the benchmark by which all other Holocaust documentaries are judged – its probing into the mechanics of the evil and the consequences it had for its victims remains unsurpassed, but it was never really a completed project, and after its original release in 1985 Lanzmann released several other additional films to add to the original body. And now, here's what looks like the final chapter in the work, as Lanzmann, who died last year, interviews four women who one way and another managed to survive the horror and were therefore able to tell their incredible stories on behalf of those who couldn't. Originally recorded in the 70s, the stories of Ruth Elias, Paula Biren, Ada Lichtman and Hannah Marton add another valuable layer to our understanding of the darkest period in Europe's history.

LAURA

On a dark winter's evening there are few pleasures that can match settling down on the sofa in front of a classic slice of noir (at least not many that don't involve another person), and slices of noir don't come any more classic than this 1944 offering from Hollywood big-hitter Otto Preminger. It earned him an Oscar nomination at the time, and its reputation has only grown since then. Confusingly, its stars are called Dana (a man) and Gene (a woman) – Dana Andrews and Gene Tierney, in her best remembered role in the title character. In classic noir style, Laura's been murdered, seemingly, and Andrews's police detective is trying to get to the bottom of it all – is it her shifty fiance Vincent Price, or newspaper columnist Clifton Webb? Twists abound in this super-stylish example of the genre, which boasts 100% approval on Rotten Tomatoes.

Can you have too many Bretts in one magazine, we wondered when we were putting this issue together? It's probably not a problem too many people have had to worry about before, but after a moment's thought we decided no – Cara Brett and Brett Rossi together in one mag is a thoroughly good thing, and to deny you one or the other just 'cos of their names would be daft - if not actually heartless! But isn't Brett a boy's name, when it's used as a christian name? Umm, Brett Lee and, er, Sir Brett Sinclair, for starters!

"Yes, and Brett Kavanaugh! Still, I like it and I'm sticking with it. You got any complaints?"

No – none whatsoever!

MAYFAIR Movies

Wanna know what's been keeping our seasoned grot-reviewer's DVD plying humming this month? Well, in part, at least, it's this trio of titillating titles!

Harmony Films

INSATIABLE BEAUTIES

★★★★☆

CAST: Kyla Carrera, Lady Dee, Tina Kay, Barbie Sins, Valentina Bianco.

Big-boobed British blonde Barbie Sins is clearly in the mood for some nookie, wiggling her bum about and playing with her knockers – but her fella's fast asleep on the bed, even though it's clearly the middle of the day. Well, that's no good, so without any further ado she hops on next to him and, wakes the poor sod up. Mind you, he doesn't seem to upset that the cock-mad strumpet's disturbed his kip, and the pair are soon snogging away merrily until he sets about feasting on her shaven snizz. His almost equally hairless knob gets some oral attention as well before she hops on for a cowgirl ride which sees her love tunnel bulge nicely round his girth. Doggy and mish follow before our snoozy hero drops his load all over her tum. Tina, meanwhile, wants her bloke to stop his boxing practice and concentrate on her box instead, which he gladly does from just about every angle before firing a wad of come over her ever-so-shapely arse. No cock in the next scene – it's a strap-on lezbothon with Kayla and Valentina making the most of the fake knob – not to mention each other's tongues. Tina's back for another helping after that, sharing a stud with Lady Dee, before Barbie and Valentina see us out with another good lesbo sesh. **Available from your local sex shop.**

Wicked Pictures

I KNOW YOU'RE WATCHING

CAST: Kendra Spade, Alison Rey, Jennifer White, Mandy Muse, Victoria Voxxx.

Gah! How do they know I'm watching? Is it the Amazon Alexa in the other room spying on me or has someone got their beady eye on my web history? Oh wait, what – they don't know I'm watching, they know some other person in the film is watching! Phew, that's a relief – I'd hate for anyone to know just how much scruff I watch on a weekly basis. Ahem, anyway, this Wicket offering features a rather comely cast and is themed for those with a voyeuristic bent (in case yuo know anyone like that). Slightly Asian coverbabe Kendra's having a wank, but some beardy bloke's peeping through the window. And what do you know, he soon ends up ball-deep in the horny minx – her furry spadger looking just the part as she rides him reverse cowgirl. It's a great opening scene, which sets a pretty tight template for the others to come – with the only real variation being whether the girls got a shaven fanny or not. In fact they're even all brunette, which is a little too uniform if you ask me, but still, they do get the job done! **Available from your local sex shop.**

MetArt/Viv Thomas

STOCKINGS & STILETTOS

CAST: Katy Rose, Daphne Anbel, Lovita Fate, Morgan Rodriguez.

Well you know us at Mayfair – we're all in favour of stockings and stilettos (assuming they're on the right sort of person), so this title was always going to make us sit up and take notice. Mind you, a cast list of four in a lesbo movie can mean only one thing – a lot of switching about. Still, nothing ventured, nothing gained…

Things kick off with all four of the girls getting to know each other – having a natter in whatever language it might be (there's music over the top) and swigging some white wine. The booze soon does the trick, because it doesn't take long before blonde Lovita and Katy have slunk off to the bedroom, where they tuck into each other's snizz without any further ado. There's also a nice bit of rimming thrown in for good measure, which seems to go down well before Katy's all done in, lying back with her legs spread wide, clearly sated for the time being. And that gives the other pair a chance, which they don't pass up. Lots more close-up pussy licking action here, with some good audio captured as well as lips slurp against lips. And then it's all change for round two. Nice, romantic lesbo-action for old time thrills. **Available from your local sex shop.**

KATIE

Age: 27 **Vital Stats:** 34DD-25-37 5'6"
Photographer: Dazzglam

Last time we hooked up with boobtastic Katie she was all dolled-up as a saucy French Maid, and she was certainly putting the tease into a some tasty looking afternoon tease. And now here she is in some alluring fishnets and body combo – so can we deduce that you've got a bit of a thing for dressing up?

"Well yes, I guess I have - as long as it also involves undressing! I've been out with a few guys who've liked me to wear special outfits for them, so I've got a quite a collection at home now!"

Well that's good news for whoever you go out with next!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

During a candid conversation last month my husband sheepishly admitted that it was his ultimate fantasy to see me being fucked by another man. Naturally my jaw dropped to the floor. It wasn't because I was disgusted by his admission; it was because it was something I had always wanted to try but thought he would never agree to in a million years. I was obviously very wrong.

After discussing it for several days we both decided to make this fantasy a reality and we placed an ad on a sex contacts website, asking for well-endowed men to come to our house to fuck me while my husband watched. Over the next few weeks we were inundated with offers, many of them accompanied by photos of private parts, and eventually I decided on a black guy called Joel. I had never been with a black man before so I thought I might as well make another fantasy come true at the same time, and my hubby was thrilled at the prospect as well.

That weekend he came round and the fun really began. As soon as I opened the front door to see him standing there my knees began to tremble. He was a very large chap and it was obvious from the bulge in his trousers that he had a big cock.

I invited him upstairs to the bedroom and told him we would get it on and then my husband would come into watch us when we were relaxed. I had dressed accordingly in black bra, knickers and knee high leather boots. As Joel got undressed I pranced around on the bed, simulating erotic positions to get him in the mood.

> "I COULD HARDLY ACCOMMODATE IT IN MY TINY MOUTH, BUT DID MY BEST TO START LICKING..."

When he pulled down his boxer shorts to reveal his semi-boner my eyes watered. I had never seen a cock as big as his and the thought of it inside me was definitely something to look forward to!

Joel took me in his arms and we started kissing, with our hands roaming each other's bodies. He was very muscular and I got so turned on from running my hands over his firm body that by the time I got round to clasping his cock he was fully erect.

"Oh, my..." I gasped as I actually felt the size of his penis. It felt massive – especially compared to my husband's more modest proportions. I took a deep breath and then lowered my mouth over the thing. To call it a mouthful would be an understatement; I could hardly accommodate it in my tiny mouth but did my best to start licking and sucking him off.

Name: ELAINE
Age: 34
From: YORK

It was easier to lick his member, so that's what I concentrated on. I ran my tongue up and down the shaft, around his bulbous tip and occasionally took his big balls in my mouth.

Joel was very gentle with me. His

massive hands roamed my slender frame and he spent ample time teasing my clit so that it became nice and wet before he attempted to finger me.

When my husband entered the room he hardly disturbed us as he took a seat in the corner to watch Joel and me. Now we had a captive audience I decided to really put on a show. I made much more of an effort to take Joel's length in my mouth and groaned every time he tried to thrust it deeper. I looked over at my husband and saw the eager look on his face. He really was enjoying it.

After sucking on Joel's massive cock I was more than ready to feel it inside me. I lay back on the bed, spread my legs and demanded he fuck me. He dutifully complied and pressed the tip against my moist lips. Very, very slowly he pushed it in and my mouth widened as I felt each inch sink deeper inside me. The phrase bitten off more than I could chew had never been so apt as I adjusted to the size of the prick burying itself in my stretched hole.

I genuinely whimpered and not just for the benefit of my watching husband as Joel finally buried his cock to the hilt. Then after several minutes of getting used to the intrusion he began with some soft fuck strokes that rapidly became harder and harder until I was brought –

"HE PUSHED IT IN, AND MY MOUTH OPENED AS I FELT EVERY INCH SINK DEEPER..."

much quicker than usual – to my first orgasm.

I wailed loudly and glanced at my husband who by this time was tugging himself off. He returned a satisfied smile just before Joel pulled out of me and turned me onto all fours. He then re-entered me from behind and pounded away as I looked directly at my husband. We smiled awkwardly at each other as I bit my bottom lip every time Joel delivered a thrust inside me and before long I had the pleasure of seeing my husband bring himself off by hand.

After that Joel proceeded to fuck me in just about

every position going until I eventually ended up on top of him riding his big black stalk. This was by far the best position for me as I was able to control the speed and also make sure I wasn't too uncomfortable when he thrust deep.

The grand finale consisted of Joel and I climaxing in tandem. I screamed my head off as the final orgasm swept through me and Joel groaned as his prick oozed what seemed like gallons of hot white spunk into my battered pussy.

When our orgasms subsided my husband left Joel and me to relax, although not before thanking our guest for such a great service.

When Joel eventually left that evening, both my husband and I were in an ecstatic mood.

"That was fantastic," my husband commented. "I have never been so turned on in my life. I can't wait to get you upstairs and have you for myself now!"

I might have been tired from Joel's great fucking, but there was still a bit of energy left in me to make my husband really happy! We're thinking of making it more or a regular thing now, and I for one certainly wouldn't be complaining if we did!

but that's no consolation when I want a conversation, a cuddle or/and his cock! I started to get really annoyed at him and, after six months of me moaning about my sexual frustration, he did what any sensible, red-blooded male would do - he bought me a load of sex toys! I knew nothing about it until a big box arrived for me in the post, and when I opened it, I was gobsmacked! But the more I thought about it, the more I felt insulted. Even if I was desperate, I didn't want him thinking of me like that! And did he think he could solve the problem by buying me some dildos? I couldn't believe he actually thought I could be satisfied shoving a lump of plastic inside myself!

It was a good thing that my best mate Debs talked a bit of sense into me when I had a moan about it to her. She confided that she used toys all the time, sometimes on her own, but often to give whoever she was shagging a show, and that it was absolutely normal. Well, what she actually said was that I should "grow up and give it a go". She said I should probably call Jonah at work and grovel a bit. I admitted she may well have a point.

However, I went one better than that. When I got home later that day I

"I TEASINGLY TRAILED THE PHONE CAMERA DOWN MY BODY TO REVEAL THE BIG DILDO."

Whereas I work a normal 9-5 job, my man Jonah often works late evening and night shifts. It does pay a lot more

Facetimed him, just showing my face at first. When I was sure he was on his own, I teasingly trailed the phone camera down my body to reveal the big dildo I had stuck in my snatch. I heard him draw in a deep breath and asked if there was anybody else in the office at all. He said no, that everyone was out of the office for about the next hour, so I licked my lips at him and told him to get his cock out.

I watched him get hard for me, sighing as I imagined his knob getting rigid in my

> I TOOK OUT THE LITTLE VIBRATOR HE'D BOUGHT ME AND TOUCHED IT TO MY CLIT.

hand or mouth – it was almost like I could taste it. On the little inset picture I could see what he was seeing, my creaming cunny getting all stirred up by my toy. Even I had to admit it looked pretty hot. I turned my attention back to my gorgeous man, the sight of him wanking at the other end of the connection incredibly sexy. I was so turned on that I wanted more, so I took out the little vibrator he'd bought me and touched it to my clit, like Debs had told me did it for her.

Name: **ARABELLA**
Age: **28**
From: **DURHAM**

It felt intense; the fake dick inside me pressing and squeezing on my most sensitive spots, so the lightest touch of the vibrator against my nub had me squirming on the sheets. I started coming and I

couldn't stop, until I finally pulled the vibe off myself, and the dildo out, slapping it in between my boobs.

I told him to look how horny and how wet the sight of his prick was getting me, and told him to wank it faster for me. The movement looked a bit shaky on my screen, but his big pole was making my clit throb all over again, as was his grunting and groaning as he pleasured himself.

He practically growled at me to get the dildo back inside my fanny, to fuck it like I'd fuck his cock. I asked if he could see how tight my pussy was and how the juices were streaming out of me now. I told him to grip his cock tight, to think how it felt when I was coming so hard around it he couldn't hold back himself.

Soon we were both finding it hard to talk, so we just watched each other get off. My cunt was pulsing around the plastic toy, while Jonah's fat helmet was throbbing in his palm. Then he started to come – I saw him lose his mess all over the desk, shooting harder than usual meaning he had to clap his hand over his helmet to catch the rest of it. He was at work, after all!

Then he showed it to the camera, said if he was home he'd get me to lick it off his fingers. I did the next-best thing, pulling the dildo back out and slurping the juices off every inch of that instead. I heard him sigh as he watched me, so I told him to call me when he was on his way home, so I could be wet and ready for his cock. He came in to find me playing with the toys and grinned at me like a Cheshire cat! Stripping his clothes off, he told me that now I was nicely warmed up, I should spread my snatch wide for the real thing.

Instead, I decided to give him a better experience. I jammed the dildo deep inside my snatch and knelt up on the bed, thighs holding the toy in place, and got him in front of me for a good sucking. I love noshing my man off and I know Jonah never complains! As I fondled his balls and shaft, I used the vibrator on him, first against my hands for a muffled buzz, then directly against his flesh for something more intense. When I took him in my mouth I vibrated him through my cheek and he gasped loudly with pleasure. The vibrations coupled with my tongue-flicking and lapping away were too much for him to take for long, and it wasn't very long at all before I got a big salty blast in my mouth.

> I SAW HIM SHOOTING HIS LOAD ALL OVER THE DESK, SHOOTING HARDER THAN USUAL.

I had to satisfy myself for a bit while Jonah regained his composure (and his hard-on), but there was no way we were going to sleep before I felt his meat inside my pussy. And I did! In fact, it was the best shag we'd had in ages!

So, despite my reservations, I admit that sex toys really can spice up your sex life, even if it is already pretty hot! Thank goodness I listened to Debs! Plus, now I've discovered the dizzying heights of self-pleasure with sex toys I can orgasm to my hearts – and pussy's – content when Jonah's not around without pining quite so much for his cock!

Snakes Alive, It's Lindsey and her python

PHOTOGRAPHED BY DONALD MILNE

If you ever bump into Lindsey Dixon in *Ziggys* or *Gullivers*, her favourite Eastbourne discos, there is one little thing to remember before you chat her up – her bedtime companion is a five foot Royal Python named Sabba. Sabba, named after a Greek boyfriend, wraps himself round Lindsey's 33–22–33 figure under her blankets. 'He cuddles me, and curls round my neck or lies on my stomach. He tickles me with his

Classic

Ooh, a girl with a snake! That's pretty old school, isn't it? And it's clearly no fake, either, so hats off to snapper Donald Milne back in the dim and distant days of 1986. Funny, isn't it - I'd always assumed the 80s were a decade of yuppies and Timmy Mallet-style gaudiness, but this set's still got a strong 70s vibe about it, hsn't it? Goes to show how your mind can play tricks on you...

tongue wherever his head happens to be. He isn't poisonous, of course. They crush their prey to death.' Sabba is fed on frozen mice twice a week, and Lindsey should know how to look after him as she works in a pet shop in Eastbourne. Before that Lindsey, 23, worked as a hairdresser and a barmaid. 'I enjoyed being chatted up by customers with their corny jokes.' After experiencing the chat-up lines of many male drinkers, Lindsey likes to turn the tables. 'If I see anyone I like I just walk up and say something. I usually get what I want. A guy once came into the pub. I thought he was nice and sent out the vibes but he ignored me. So I downed my drink, went over and asked if he minded me chatting him up. In the end I asked him out on a date with me to his surprise.'

Well for all we know the UK might have fallen off a cliff edge by the time 54.04 come out, in which case it was fun knowing you all, and thanks for buying the mag! But then again, perhaps we'll be soaring to new heights of global glory... or perhaps nothing much will have happened at all. Either way, I'm sure we'll all be needing a bit of comfort to see us through the month, and that's what we're very much aiming to achieve with next month's issue! If yuo don't believe me, well then here's a little taste of what's in store, with delectable Spencer and Katy waiting between the covers...
